He looks like Alcazar; don't you think so?

The chap who played the lead in a good actor...

It's as if I was thinking of... I don't know, someone or other...

For example, take General Alcazar, whom you mentioned just now. He completely vanished from our lives years ago...

Well, d'you suppose, if I just think about him he'll pop up on the street corner, like that, bingo!?
It's extraordinary! Imagine! The Captain and I were just this moment talking about you!

Yes, of you... weren't we, Captain? Then up you pop like a jack-in-a-box. It's incredible... But tell me, General, what are you doing nowadays?

Me?... Er... Well... Sort of... travel... But...

Por Favor... excuse please... in mucho hurry... Already late for appointment... I go now.

Oh, what a pity... At all events, here's my address. And where can we find you, General?

Er... Um... At the Hotel... er... The Hotel Bristol.

Good! The Bristol... And when do you...

Just so... Now I go... Adios, amigos!

Goodbye, General.

Well, well! Frankly, I don't think your friend Alcazar was in a very chatty mood!

Yes, an odd fellow. Oh well, come on.

Crumbs! It's the general's wallet. He didn't put it right inside his pocket.

Quick! He can't have got far.

Hello, where's he gone to? ...

Perhaps he got into a car... Never mind. The Hotel Bristol is quite near, we'll leave his wallet there.

A few minutes later, at the Bristol... General Alcazar?... No, Sir, we have no one of that name here.
Now what can we do to return that idiot's wallet to him?

That's what I'm wondering.

No, sir. A Spanish gentleman?

I say, why shouldn't the wallet itself give us a clue towards finding the general. Come on; we'll go in here.

Two glasses of ginger beer.

... And in this envelope, photos of aircraft... Odd, isn't it, Captain?

Ah, a letter!... This time I think we're on to something. Look, Captain.

Dear Sir,

Please telephone PIC 8524 between 10 and 12.0 p.m. Ask for Mr. Debrett.

Regards,

J.D.M.C.

But the general's address isn't here.

I know, but I'll ring up the number given in the letter.

Hello, is that PIC 8524? May I speak to Mr. Debrett... Who am I... A friend of General Alcazar, and I... Hello?... HELLO...
Can you hear me?...
What?... You don't know the name Alcazar?...
What about Ramon Zarate?... Nor that?...
You see, sir, I found his wallet and... I beg your pardon?

I tell you, sir, I am not Mr. Debrett! I don't know your General Alhambra, and I am not interested in your story...

Goodbye!

There's politeness for you!

Very odd... They don't know of him at that number. Too bad... We'd better be getting home to Marlinspike.

A little later...

How strange. The front door's open...

WOOAAAH!... WOOAAAH!

Good heavens! My poor Snowy! Who's done this to you?!

I'll get to the bottom of it!

Hey, Captain, what's happened to you?

Billions of blue blistering barnacles! Who's the thundering son of a sea-gherkin who did that?... Nestor!... Nestor!

Th... Th... Th... there behind you!

HAAAAAH!

!? RRHHDAH!
ADDAH!... WRAOIJ!  ABDULLAH... ABDULLAH!... Abdullah! Blistering...

Again, Blistering Barnacles! Fall downstairs again!

You young ruffian! Just you tell me what you're doing here!

Wait!... Wait, Blistering Barnacles! I've got something for you.

Something for me?

Yes, a present.

A present!... Something specially for me, brought from his country, I expect. Dear little fellow!

It's for you, Blistering Barnacles, from me.

Thank you, Abdullah.

A cuckoo-clock! Why, it's magnificent, Abdullah!

You see... to wind it up...

...you do that!

Ten thousand thundering typhoons!... Don't think you'll get away with that!

WAAAAH! WAAAAH!

Halt thou!... Touch not the son of my Master!
And I bring you message from my Master.

What d'you make of it? One thing's clear: we've got Abdullah on our hands. We'll have to bring the young scamp to heel.

Halt thou! Touch not the son of my Master!

Touch not! Touch not! You arabs, you! D'you imagine I'm going to let that little pest raise Cain in my house?

Oh sir!... Sir! ... It's terrible, sir... All those foreign persons have settled themselves...

Later, Nestor... tell me later.

... in the state-rooms!
The next morning...

Blue blistering barnacles in a thundering typhoon!

All right... All right! ... I'm coming!

Hello?... Hello?... Who!... What?... Who d'you want?!
No, Madam. I am not Mr. Cutts the butcher!

Hello?... Who's that? Thompson!
... What?... Oh yes, with a "p". Well?

Is Tintin here this morning?... Yes. You'd like to speak to him?...
... Right... What?... Do we know General Alcazar?... Yes, why?

Er... not in the least. Go on...

I... I'm not disturbing you, am I?
You'll explain that to Tintin later? Good... What?... No, no trouble at all...

Ringing up when I'm in the bath! I ask you!

Half an hour later...

Well, well! Thompson and Thompson?... And they want to talk to me about General Alazar. Odd, isn't it?

Yes... Talking of odd things... where's Abdullah this morning?

No, it's Calculus!

Good gracious!

You goat, you! D'you often feel impelled to come to breakfast on roller-skates?

Very well, thanks. And you?

Now admit it. You're puzzled to see me come in like that... Yes, yes, you find it odd, don't deny it!... Well, I can't tell you anything more at present...

The Thompsons? Already!

Ah!... Now for some breakfast.

D'you think so?

...but quite soon you'll see my reason for it.
You thundering nitwit, Humskuff! Haven't you finished acting the goat yet?

Who rang, Nestor?

I found no one the first time, sir. But the second time, I saw Abdullah running away.

I bet that's him! But he won't get away with it this time. Nestor, go and bring the hose-pipe!

Now... as soon as he rings, you open the door, and then: pshhh!... We'll get a good laugh!

That's it!... Quick, open up, Nestor!

I... I'm dreadfully sorry!... Please forgive me! You see, it's Abdullah's fault. The young rapscallion kept ringing the bell...

Ha! ha! ha! ha!

Well, here's the position. Interpol have asked us to keep an eye on a man called Dawson, and to collect all the information we can about his activities...

...and also about the people he meets. It so happens that you know one of them: General Alzara. What can you tell us about him?

Very little, as a matter of fact.

I knew him when he was President of the Republic of San Theodoros. I met him later, in Europe. He'd been deposed by his rival, General Tapio, and had fled from his country. He'd become a knife-thrower on the music-halls... That's all.

All? Really? And what did he say to you, when you met him last night?
That surprised you, eh? You forget, my friend, in our job there's nothing we don't know.

To be precise: we know nothing in our job!

It's true that we met him last night. I was going to tell you... He said he was travelling, he was in a hurry, and he was staying at the Hotel... or... the Hotel...

Excelsior: yes, we know.

Well said! To be precise: "Dumb's the word"; that's our motto. The general may have come to Europe to buy up old aircraft, but you won't learn that from us! Now we must be going. Goodbye, Tintin.

Oh, I see. We've got muddled up. You have my hat and I have yours.

That's it: our hats are in a huddle. In short, we're contrarywise.

There! I thought as much. It's an old joke: newspapers folded up and slipped into the band.

A little later on...

Abdullah and his tricks!

Ok? Well, that's the lot... He didn't say anything else... But what have you against him? What do you suspect?

Why are we suspect? I mean, what do we suspect? My dear fellow, if you imagine we'll tell you he's smuggling aircraft, you're much mistaken. "Mum's the word", that's our motto.

What a very peculiar thing: my hat has shrunk...

How strange. With me it's the opposite: I've got a swollen head...

But it still isn't right!

Nor is mine!

May I see... You can be Abdullah's behind this... Abdullah?

Abdullah's behind this...

Well, what did our Siamese twins want?
Just read this advertisement I've found in an old newspaper!

FOR SALE
AIRCRAFT, TANKS, SUBMARINES ETC
Further particulars from J.D.M.C., Box No. 9983, DR

No doubt about it: the general's here to buy armaments. But that's no reason for failing to return his wallet. And since Thompson and Thomson have kindly told us the right address...

I'll come with you.

Extraordinary!... Why don't they add: "on easy terms"? You'll see, we'll end up buying a battleship or the 'Queen Mary' on the never-never!

Maybe. But did you notice the initials?

Precisely!

No doubt about it: the general's here to buy armaments. But that's no reason for failing to return his wallet. And since Thompson and Thomson have kindly told us the right address...

I'll come with you.

Thank you.

This all looks pretty fishy; I'd like to know a bit more about it. Listen, Captain; you stay here, and as soon as Dawson goes, you return General Alcazar's wallet. I'll follow Dawson. We'll meet at Marlinspike.

O.K.

Look... he's talking to someone. But... good heavens! It's Dawson. I've met him before. He was police chief in the International Settlement in Shanghai.

And there in the background, lurking behind their newspapers...

The Thompsons!

An hour later...

Quick, taxi!... Follow that black Jaguar. There, ahead of us.

Where are we off to now?
Fifteen minutes later...

We're on the outskirts of town already... Ah, he's slowing down. He's going to turn off.

This is it, driver. Stop!

Oh! A watchman!

How can I get in without being seen? Perhaps... Yes, I know...

We're over the first hurdle. Now let's see...

Aircraft! So we were right!

Careful! Footsteps!

'Morning guy! Seen the "Reporter" today?... No?. Well, read that...

'Aha! Bravo!... The Mosquitoes we sold them did a grand job. Those boys know how to make use of them!' How right you are! Any news from Alazar?

It's in the bag! Twelve Mosquitoes there, too. To help him chuck out his rival, General Tapioz... suits us. Let them fight. So long as we can unload our junk on them, why worry?

You've said it!... Well, I'll see to the packing of those DC3 spares for Anhaur. Now that they've got the green light over there, they're going to need them. It looks to me...
What's that?... What on earth's going on?... What's this confounded thing?

Where the devil's that row coming from?

An alarm-clock!

Abdullah, the little pest! I'll bet he put that alarm-clock in my pocket!

A young lad with a white dog, you say?... How did they manage to get in without your seeing?

“Daily Reporter” sir...

Crumbs!

Great Scot! What will the Captain think of this?

A little later...
Abdullah! Just you wait till I catch you!

Ha! ha! ha! ha!

Poor kid, all the same. He's too young to realise how serious things are.

Blue blistering barnacles! This time I've had enough!... The little pest! A firework under my chair while I was having forty winks. It's the end! He's going back to his father!

Too late!... Read this...

Thundering typhoons! The poor Emir! This explains the serious situation he mentioned in his letter... Well, you're right: we can't send Abdullah home.

No, but...

...perhaps there's another way out. If we can't send him off, there's nothing to stop us going away ourselves.

Tintin, you're a genius. But... where can we go?

Perhaps we might try to rescue the Emir. At the same time, we could try to clear up this odd business of the aircraft.

No, thanks, not for me!... You go if you like... I'm staying here!

All right, I'm coming...
A youngster with a white dog? That reminds me of something... but what?

Hello?... Who's that?... Oh, it's you, General... What?... Oh, your wallet... You've got it back?

Yes, they bring him back. This Captain Haddock, who I met yesterday with one of my friends... Tintin...

Qué?... Si, Tintin. You know him?... Qué? The telephone call you receive last night?... Yes, it was him. He found your number in my wallet.

Tintin!... So he's the one sticking his nose into my business!... I'll soon take care of him.

The airport at Wadesdah, capital of Khemed, three days later...

Here comes the plane from Beirut.

You understand? If he's aboard, you put this briefcase in the baggage compartment.

I'm not sorry to get here... With those old crates you can never be sure...

I say, have you noticed?... Armed men all over the place.

Passports, please gentlemen...

I am sorry, gentlemen: you have no permit to stay in Khemed. You must re-board the plane, and return to Beirut.
Blistering barnacles! What sort of yarn is that?

Here are your passports. You will be conducted to the aircraft.

Thundering typhoons! You're not getting away with this! Our passports are perfectly in order... You have no right...

An hour later...

There they go! In an hour they'll be flying over the mountains... Jebel Raddeh... Then...

Another eternity in this flying coffin!... And a bumpy trip into the bargain. Rattled about like dice in a box... I just wonder what sort of trouble will drop on us next.

Thundering typhoons! Why does everything happen to me?

Look out, Captain!

... air-pocket!

Another...

You're not hurt, are you?

Not at all. I'm just enjoying the luxurious comfort of air travel!
Golly! I can smell trouble. There's something sinister going on here. I must warn Tintin at once.

I'm wondering WHO warned the authorities at Wadesdah of our arrival, and WHO persuaded them to deport us?

Hello, Snowy, what's the matter?

WOOAH! WOOAH!

Here, will you stop that! You know, he... yes, he wants to show me something. All right, I'll follow you....

In there? It's the luggage. You want me to go in? All right, I'm coming.

Woah! Woah!

PH-E-E-E-T

What's that siren for?

An engine on fire! That's the alarm for the extinguishers!

Thundering typhoons! The extinguishers haven't worked; it's burning more fiercely than ever!

Wadesdah Tower... Wadesdah Tower... This is KH-020... Starboard motor on fire... Extinguishers unserviceable. We're turning back... We'll try to reach Wadesdah.

It's no good! It's too heavy. I shall just have to...
This is KH-02D... Starboard engine still burning... Port engine misfiring... We are losing height...

I simply must make him understand. He's got to come and look at this thing.

Again?... No, old chap, that's enough. I tell you, this is no time for games.

A parachute... I insist that you give me a parachute!

Why won't you come and look?

Don't lose your head, sir. You'd find a parachute quite useless now... I want a parachute, I tell you! I've paid for my seat, and...

Look here, young fellow, keep calm, will you? And leave the pilot alone: he's got enough on his plate already!

I'm sorry about this, but...

Good lad!... Thanks! Everybody hang on tight, we're going to try to land...

This is KH-02D... We're over the southern edge of the Kadhah... We've jettisoned the fuel... We're stopping the port motor... We're trying a belly landing.
Don't stay here in the open sun. We'd better move into the shadow of those rocks, while we wait for a rescue party.

Come out of there, Snowy! At once!

Wooah! Wooah!

No, no, there's no need to worry. Wades dah was alert, and it's only thirty miles away. They'll soon be out looking for us.

A few minutes later...

I say, Captain, if we stay here they'll take us back to Wades dah, and we'll be expelled once again. Wait a minute, Snowy... It seems to be about thirty miles to the city. Suppose we make ourselves scarce...

On foot?

Wooah! Wooah!

Yes, on foot... I'm just going back to the plane. Snowy's incorrigible; he absolutely insists on showing me something.

So you're coming at last!

All right, Snowy... I'm coming with you.

Thirty miles... And I've still got... Let's see... I've still got...

... half a bottle of whisky... that's 240 miles to the gallon... not too good, but still...

BOOM
My bottle!... I must save my bottle!

Thundering typhoons! The plane's blown up!

But my bottle's safe!

Columbus!... Tintin!

He went towards the plane... Let's hope... Careful: mustn't break my bottle...

TINTIN!... TINTIN!... SMASH

Tintin, old man!... You aren't broken!... I mean... you aren't hurt?

Billions of blistering barnacles!

N... no. I was just knocked flat by the blast. But Snowy? Where's Snowy?

Safe and sound. He's fetching your hat.

Snowy, good old Snowy. You scented danger, eh?... And I just thought you wanted to play.

You know, Tintin, you ought to take me more seriously.

A time-bomb in the baggage compartment... So it's thanks to the fire in the starboard motor that we're still alive!... Normally, at this time, we'd be flying over the mountains, over the Jebel... You can imagine, if we'd blown up in the air...

Yes, we've had a lucky escape. I wonder...

What?

Nothing... but I think we won't hang around here. Let's go.

All right, I agree.
When we get to Wadesah, we'll seek shelter with our old friend Senior Oliveira de Figueira.

We mustn't run into the rescue party on the way... As soon as our disappearance is reported, they'll start searching for us.

Night has fallen...

I've had enough of this little jaunt!... If we go on much longer I'll be on my knees! If only I could lie down!

Lie down! We simply must reach Wadesah before dawn, Captain. Lying down is out of the question.

Quick, lie down! Make up your mind... shall I lie down, or not?

I heard a noise... a sort of rumbling...

It's just an aeroplane... Listen.

For heaven's sake stop snoring! Me, snoring? I didn't hear anything.

Halt!... Who goes there?

Come on, Captain, get up. We're moving on.

I'll have my breakfast in bed, Nestor...

It isn't Nestor, Captain, it's Tintin!... Get up, hurry!

What on earth can I do? Let's hope they don't come back...

ZZZ... ZZZ...
I always keep a small flask of rum for emergencies. Now's the time to use it...

Ah!... That's it!

This confounded cork won't come out...

Aahhh!... Now then, where are those sprouts?... I mean scouts.... I'd like a word or two w-w-with them!

Sh! Be quiet! We must get on...

Stop!
That's enough!

There, you see. We got in un molested. Now we must find Senhor Oliveira de Figueira. I'm sure his house is near here.

Yes, that's it. I remember, you did say he always has a bottle of wine handy.

Senhor Oliveira!... Senhor Oliveira!... The joke's on us if he's moved!

Senhor Oliveira!... Senhor Oliveira!... Open the door. It's Tintin!

Blistering barnacles!... A patrol!

Quick, we must find somewhere to hide!

Who's that?
What are you doing here? Don't you know there's a price on your head?
I know... I've just seen the poster.
Goodnight, everybody.

It's incredible!... fantastic!... I can't believe it!... But first of all: I'm sure you must be hungry?...
Rather... ZZZ ZZZ

Thirsty, too?
Er... a drop of your wine would save our lives...

Now then, tell me what you're doing in Khemed.
It's like this...

ACTION STATIONS!

What do you mean: who's that? I'm asking you!... What's the idea, waking people up at this hour?

We can't help it if you're a light sleeper! A light sleeper!... What a nerve! After all the row you've been making!

Well, never mind!... Next time we'll walk on our hands, to save waking the most noble Dow Oliveira!

I... oh, go to the devil!

By the beard of your Prophet, will you go away and let me sleep!
Open the door, senhor Oliveira! It's Tintin! Please open up!

By heaven! We'll wake on our hands, to save waking the noble Dow Oliveira!

Whew! They've gone! That gave me a fright! Come on, Captain, stop snoring for goodness sake!

REWARD
TINTIN
HADDOK

It was wise of you. Now, I'll bring you up to date on the situation in Khemed. Six months ago...

Then we decided to set out for Wadesday on foot, and to come to you...

... and so Abdullah...
... aircraft for sale...
... letter from the Emir...
... Flew to Wadesday...

... Then we decided to set out for Wadesday on foot, and to come to you...

It was wise of you. Now, I'll bring you up to date on the situation in Khemed. Six months ago...
I... What was that?... Er... forgive me... I... I think I was dreaming... A nightmare... Pirates...
Oh, well...

I'll light up. That'll help me to stay awake.
Good idea.

Where was I?... Oh yes... I was saying that six months ago, as a result of an agreement between the Emir and Arabair, Wadesah became an important link in the air route to Mecca. Then, a few weeks ago, it seems that trouble blew up between Arabair and the Emir. The situation began to deteriorate...

... As if by chance, trouble flared up all over the country, and Sheik Bab El Ehr took command of the rebels. These rebels were supported by a powerful air force which, so to speak, came out of the blue. The rebels marched on Wadesah, and seized power.

It all puzzles me, Senhor Oliveira. You see, the rebel Mosquitoes and the Arabair DC3's came from the same source... And I'd like to know what touched off the dispute between the Emir and Arabair.
Er... I've no idea at all.

Oh?... Well... We'll go into that later. The most urgent thing is to help the Emir. What's become of him?
He had to flee. He took refuge in the Jebel with Patrash Pasha, whose fierce tribesmen remained loyal.

What... what... what... what happened?
Your pipe, Captain. It set fire to your beard.

Come, it's time for sleep. Tomorrow we will find some way for you to leave the city, and join the Emir.
Yes. Good.

Two days later...

D'you see, there? A patrol coming...
I know... Keep calm!

TEN THOU...
OOOOH!... Terrific!

Well? What about that, eh?

Wooah! Wooah! Quiet, snowy, quiet!

That was a close shave, Captain.

Yes!... Lucky for us we had all day yesterday to practise! Poor senhor Oliveira!

Pitchers?... I'm so sorry, ma'am, my stock is completely exhausted...

Good! Now we're out of the city.

And there's the well... Confound it, he promised us there'd be no one about at this hour!

ناهج ننسى نفسك في جندي هذا؟

لمنا سياحة نفسك في جندي هذا؟

؟؟؟
Why can't you talk English like everyone else, you fancy-dress Fatima? What do you want, anyway?

WOOAH!

Billions of blue blistering barnacles! That old witch will raise the alarm!...

...And our guide isn't here!... Oliveira was quite definite that he'd wait near the well, with the horses... Now what is it, Snowy?

Woah!... Woah!....

There he is! Five! Back in the saddly again...

And a few minutes later...

My stirrups, blistering barnacles!... My stirrups!...

Meanwhile...

Hello, Colonel Ackmed?... This is Mull Padla at Sheik Bab El Ehr's headquarters... Order your Mosquitoes to take off immediately... Hello?... Yes. Their mission: to wipe out a party of three horsemen who have left Wadesakah, heading for the Jebel... You understand?... Good... Armoured cars are already on the way... Hello?... Yes, they are purificans of Ben Kaleh Ezab... Yes, wipe them out.

There they are!... Fire!
Oh!... Listen!... Gunfire somewhere in the desert.

BOM
BOM
RAT-TAT-TAT
RAT-TAT

Hello! Black Panther calling. First mission accomplished; the two armoured cars in flames.

Hello, yes... Ah, mission accomplished... Excellent... The two armoured cars destroyed?... Congratulations, Colonel Achmed. Real aces, your pilots!

The armoured... WHAT?

Our own aircraft! They're mad!!

Quick, put me back to Colonel Achmed... Ah, it's you... Er... I think I misunderstood. You didn't say that the armoured cars...

...were destroyed. Yes, just as you ordered. I've already passed on your congratulations to the pilots... Pardon?

What?? I ordered it???... You bungling oaf! Only the horsemen were to be wiped out!

...Military tribunal... Court-martial... Dismissed... Reduced to the ranks...

Meanwhile...

I wouldn't be surprised if they're looking for us.

Whew! They've gone over. Into the saddle: we've a long way to go.

Next day, at dawn...

Careful... Every man pick his target!
The camels bark... or, no... The
dogs bark and the camels pass.

Good... Come forward.
Who are these strangers?

Friends of Ben Kalish Ezab. They
have travelled far to see him.

That is good. We will
take them before him.

These holes in the rock?
... Yes, I noticed them.
They look like windows.
It wouldn't surprise
me if there were people
living inside.

Nonsense! They
couldn’t possibly.
Still, we'll soon
Find out...
A Roman temple, hewn from the rock! Incredible!

We have arrived.

A few minutes later...

How stupendous! An entire city carved out of the mountain.

Tintin! Captain! You here? It is unbelievable!

And my son? My own little treasure! My precious darling... Where is he?

Ah, yes... We left him at Marlinspike, Your Highness. But rest assured, he is in good hands.

Poor little lamb! How sad he must be, so far from his Papa.

And now I'll leave you tied to the palm tree, so the crocodiles can come and eat you. Ha! Ha! We're having fun, aren't we, Nestor?

Confounded brat! Ah, someone's coming. They'll set me free.

Ah, Nestor. I was looking for you. Could you give me a hand? It's nothing much: simply give me a little push.

Mmm!

It's to test the new steering mechanism I've fitted to my roller-skates. Quite simple, really. They use the same principle for steering model cars.

Mmm! Mmm!

For instance, at the moment, my skates are locked right over to the left... If someone were to push me now I should turn round more or less on the same spot.

Mmm! Mmm!

But I'm quite sure that despite his sadness my cherub is a little ray of sunshine, bringing life and gaiety into your old home.

'Undoubtedly!'
And you, what brings you here?... Come along in and sit down. You must be tired. And you'll certainly be hungry and thirsty. I will have some refreshments brought to you.

Well, Your Highness, we are here to try and help you; also, to get to the bottom of a mystery, in which Arabair seem to have an important part.

Arabair? The dogs! They will pay dearly for their treachery... I gave them permission to establish a base at Wadesdah, an important link on the route to Mecca, ...

One day, about three months ago, my little Abdullah, my flawless jewel, expressed a wish to see the Arabair planes loop the loop a few times before landing at Wadesdah... Loop the loop?? But Highness...

Nothing simpler, don't you agree?... And it would have given my Lambkin such pleasure!... Well, instead of seizing this opportunity of pleasing my little sugar-plum, they refused, on some trumped-up excuse...

But Highness...

Slave trading, no less... Their planes touching down at Wadesdah on the way from Africa are always full to bursting with native Sudanese and Senegalese. These are Mohammedan converts, making their pilgrimage to Mecca.

Yes, go on...

On the other hand, on the return journey their planes are mostly empty... Why?... Because somewhere between Wadesdah and Mecca these unfortunate negroes are sold as slaves.

But that's frightful!

On... Yes... But to get back to Arabair: these jackals stirred up trouble in my country, and thanks to their support, the accursed Bab El Ehr was able to seize power... But it won't be for long... I'll throw him out, that mangy dog, that stinking hyena, that slimy serpent, that...

By Allah!... Let us hope your dog hasn't gone near Ayesha!

Graow

Graow!
It does indeed. Di Gorgonzola - shipping magnate, newspaper proprietor, radio, television and cinema tycoon, air-line king, dealer in pearls, gun-runner, trafficker in slaves - the man who helped Bab El Ehr to seize power... But patience! Ill-gotten gains benefit no one!

He's an international crook; he must be put out of harm's way.

Yes, you are right. But what can we do to expose his dreadful traffic in slaves?

Tell me, Your Highness... Mecca is the terminus for Arabair, isn't it?... Good... Is there any way of actually getting us there?

Aha!... More and more interesting!

---

Yes, a tame cheetah. But you see what happens when he is annoyed... And I am the same: woe betide those who attack me... The perfidious Bab El Ehr will learn this one day, to his cost!

GRRR!...

...And that infamous di Gorgonzola, too, the owner of Arabair.

Arabair belongs to di Gorgonzola!
To Mecca? That's not easy at the moment. But if you will give me two or three days, I will find means of putting you aboard a sailing-ship, which will take you there.

Thank you, Highness.

Again? What has happened now?

Ah! This will please Bab El Ohr...

To Mecca? That's not easy at the moment. But if you will give me two or three days, I will find means of putting you aboard a sailing-ship, which will take you there.

Thank you, Highness.

It is Ben Youssef, O Master... Ayesha jumped on him... See, it will be at least three weeks before he is well... It seems that he trod on Ayesha's tail...

Oh, poor creature!

It is Ben Youssef, O Master... Ayesha jumped on him... See, it will be at least three weeks before he is well... It seems that he trod on Ayesha's tail...

Oh, poor creature!

Two days have passed...

Here we are... You may dismount... But stay while I make sure that the boat has arrived.

Ah, so that's the tub we're going to board. It's a dhow... No, I beg your pardon: a sambuk.

He's signalling to us... We can go.

Look, they have just put a boat out.

Danger! Danger! A mounted patrol!

There, everything is arranged. You leave tomorrow at dawn, with two trusted men. They will lead you to a point on the coast where a small vessel will be waiting to take you to Mecca. But be on your guard. Di Oorgonzola is a dangerous man.
By the beard of the Prophet, something suspicious is going on over there.

Halt!...Who goes there?

Ha! ha! ha! Soldiers? Them?
...Don't make me laugh!
One shot into the air and they bolted like rabbits!

Unfortunately they'll have made a report...in which case...

Not that, certainly, but...
But what?

What a pessimist you are! What are you afraid of!...That they'll send a squadron of battleships after us?

Over there, Captain!...That's just what I feared!

They're coming back!...This is going to be hot!...Everybody down!
They're coming back! H... h... here!... Take it!

A gun! Give me a gun!

It's him or us this time.

And the other plane's sheered off. We're saved!

Hooray! You've hit him!

Got him!

Captain! Captain! What happened?... Quick: wake up! We're going to be roasted!
I don't know what happened... Some coward hit me from behind.

But what... We're on our own. The crew have taken the boat and made off.

Quick, get down... That's what knocked you out!

Thundering typhoons! My nose!

So sorry... But there's no time to waste. We must build a raft, or we'll be grilled alive.

A quarter of an hour later...

Billions of blue blistering barnacles!... We've saved two cases of provisions, and no tin-opener; it's enough to drive you crazy!

What about trying with your knife?

Oh! There's the pilot from the plane we shot down!

Hi!!! Let him take care of himself... Er... Is he far away?

No, quite near. Here, help me rescue him.

You've done a good job, eh? You trigger-happy thug! Who are you, anyway? What's your name?

Skut.

What do you mean, scoot? I'll teach you manners, you blithering bombardier. I'll soon deflate you! Ectoplasm!

But... but... my name Skut... Piet-Skut... My Estonian...

Look out!... Mind your knife!

Er... Oh! Skut... So your name's Skut, eh?... Er, I... Well, don't let it bother you!

Meanwhile...

Hello! Hello! This is K6 VM... This is K6 VM... Come in R3 KO... Come in... Over.

BANG
What an ideal yacht for a cruise!

The "Scheherazade" is certainly a wonderful ship... And what a good idea to have a fancy-dress ball on board... Ma-a-arvellous!

What an entrancing host he is. This cruise aboard the "Scheherazade" is really too enchanting!

Yes, he's a true gentleman. Naturally, malicious tongues spread rumours that he has a shady past...

It's only to be expected that such luxury arouses envy. One must admit...

Hello! Hello! KGVM calling R3KO... Transmit in code... Over.

Powerful insects have stung the blue goat. Parasites 1 and 2 are in the bag. Out.

KGVM to R3KO, Understood. Out.

Good... Now for the book, and we'll decode this. Parasites 1 and 2 - I know who they are!

There... I have it... Excellent! Mullah Pasha has done well. We're rid of those two meddlers!

If this goes on, Captain, we'll soon be on Dr. Bombard’s diet: plankton and sea-water.
Hm? Drink sea-water? Are you out of your mind?

Try some, Captain. It's not as bad as all that.

Ha! ha! ha! Not as bad as all that!... Think of all the dead fish there must be in it... All the people drowned in it over the centuries... All the tons of rubbish dumped from ships every day...

... You can commit suicide if you like, drinking that pig-swill. But for me it's "niet, niet," all along the line!

This not good...

Besides... Besides...

Think of all the dead... There!... A ship!... Saved!

A ship... Just when you've swallowed that liquid manure! Ha! ha! ha! What a scream!

A ship! It's true!

Ha! ha! ha! This'll be the death of me!

Let's hope... let's hope, they see us!

Who wasn't going to drink any sea-water? That'll teach him!

SPLOSH

So you decided to have some after all!

Me? Not on your life!... Not a drop!... Glub!

Oh! The ship! She no see us!... She go!...
Thundering typhoons! He's right!... She's getting further away. Who's the bath-tub admiral commanding that crew of landlubbers?

What now? How can we attract their attention?

I've an idea! Have anyone got a mirror?

A mirror? What on earth for?

Here... I have one.

You like comb too?

Well done, Tintin! I never thought of it!

No thanks, only the mirror.

Blistering barnacles, go on!... Flash the sunlight straight in their eyes; they'll see us in the end.

Let's hope so! It's our last chance!

Hello?... Yes, Captain, go ahead.... What? A raft with three shipwrecked sailors?

By Lucifer,... Wait, I'll come and see.... Till then, not a word to my guests. I'm coming.

There, my lord... Do you see the signals they're making. Three of them, and a little dog.

By Lucifer!... Tintin and the bearded sailor... And a third ruffian!... But what about the message Mullu Pasha just sent me?

A waste of time... They're just some more of those practical jokers who drift across the ocean in a nut-shell... You know, it's the three all the newspapers wrote about... They don't need anything. Proceed on your course.

I said proceed... Fire and brimstone! Where should we be if we stopped for all the rag-tag-and-bobtail who put out to sea for fun!... Proceed... And not a word of this to the passengers... You understand?

Shall I alter course, sir?

But my lord, Marquis...
Marquis!...Yoo-hoo, Marquis!

Marquis, where are you?

Here! What is it?

Castaways, my dear fellow! Out there on a raft.

It's true, Marquis. Real castaways! How madly gay!

Yes, yes, I know...I...I've just given orders for the Captain to pick them up.

Oh, how gorgeous! I've always dreamed of seeing real castaways!

They're going about! Saved!

They've seen us at last!

Saved!...Oh, what a beautiful morning!

That does it. Now this really is the Raft of the Medusa!

By Lucifer! What's to be done? They mustn't see me!

Hello? Yes, my lord Marquis. Your name's not to be mentioned in front of the castaways. ...Yes, m'lord.

In addition, I want you to remove these men at once—my guests are too inquisitive and must have no contact with them.

Thundering typhoons! What a beautiful ship. A multi-millionaire's yacht!

And those fools think their troubles are over! Ha! ha! ha! That's a good joke!
Thundering typhoons! What a magnificent yacht! Whose is she?

... Hey, are they having a carnival on board?

Almost... A fancy-dress ball... And what a bunch they are: high society, I can tell you; nothing but dukes, duchesses and film stars - all the nobs.

Per la Madonna! Can you believe it... It's Tintin, and his friend the deep-sea Fisherman, Paddock.

I must go and welcome them. Art must embrace the children of Adventure.

In the name of the Margrave of Gorgonzola, welcome aboard, carissime mie!

Delighted to see you again, my dear Padlock... er... Harrock.

... in roll, Signora Castafiore, Harrock'n roll!

I'm so sorry, Signora, but his lordship has given orders: these poor men are completely exhausted. And then... there's the risk of infection, you know.

But my good man, I'm not ill!

If your lordship will pardon me, I think I should mention that Signora Castafiore, who knows the two castaways, welcomed them in your lordship's name.

Diavolo!

... This morning, their boat was machine-gunned and set on fire by aircraft from Khemed. After shooting down one of the planes, they made themselves a raft. They then rescued the pilot of the aircraft.

Well done, Parker. Thank you.

If your lordship will pardon me, I think I should mention that Signora Castafiore, who knows the two castaways, welcomed them in your lordship's name.

Come on, Tintin... Up in the clouds again?... Hey! Tintin!

The Margrave of Gorgonzola's yacht!... It's fantastic... I must be dreaming.
They can't stay here on board. But what's to be done? What indeed?... Ah, I have it! The "Ramona"... She's in these waters... Tomorrow we must pass one another, as if by chance.

Next day at dawn...

Get dressed quickly. You're in luck. We've met a merchantman bound for Mecca; just where you were making for. Her master has agreed to take you aboard.

Er... I... What... Good, that's fine.

So that's that! And now, my fine friends, I wish you a pleasant journey. Ha! ha! ha!

Ah, this is the place for me: back aboard a good old freighter.

there, you two: these are your quarters. Your pals going elsewhere... The skipper will be down to see you soon: he'll bring you your whisky himself!

Hi, you lubberly scum, not so fast! What do you mean?

This is too much! He's locked us in, the insolent porcupine!

Open up! Thundering typhoons, open up! You ill-mannered savages!

Well, well, you old drunkard! So you're kicking up a row already?

Allah!!
This is a happy reunion, eh, old bottle-nose? We must have a drink on it.

Allan! What’s going on? How have we...

...ended up here? Quite simple: I command one of di Gorgonzola’s freighters. Yesterday I had a signal ordering me to alter course, so this morning we met the "Scheherazade", as if by accident. Neatly done, eh?

Very! And may we inquire what you plan to do with us?

You're breaking my heart, dear boy. But that's enough talk... You must be thirsty... Here, drink my health...

Not on your life!... And you'll put us ashore at Mecca, or else!

Or else what?... Ha! ha! ha!... I advise you to behave yourselves. Don't forget we're in the Red Sea, and there's no shortage of sharks... You get me?... Now, like a big-hearted chap, I'll leave this bottle to console you.

Ha! ha! ha!... That's a good one! His beard!

Yes, he won't sleep a wink tonight!

Stay!... Once a drunkard...

...always a drunkard!

Over?... No, not that way...

Under?... Blistering barnacles! Not that way either!

Go on! Just a little sip...

Well, why not?

If you're sensible, you'll be put ashore. But not at Mecca... At Wadesdah!

Wadesdah! But that's murder! Sheik Bab! Eh! has put a price on our heads...

Bye for now!... We dock the day after tomorrow. So you've plenty of time to solve one important question: do you sleep with your beard under or over the sheet?
To Hell with bed-clothes! I'm too hot anyway!

Now for some sleep...at last.

Hey, this is no dream!...Those shouts...that stampeding...The engines have stopped...that's real enough!

Open up, Thuddering typhoons!...Open up before I get violent!

Quick, let's see what's happening.

Hurry, Captain, hurry!

Thuddering typhoons! The ship's on fire!

Keep it up, boys! Row hard! She'll blow up any minute.

Where d'you think I came from?...Mars?...Blistering barnacles, get up!...I think that bunch of rats are abandoning ship!

Captain, this sea-chest. Let's try to force the door.

BANG-THUMP∴ BANG-CLOMP
This way! Hurry! BANG-CLOMP into the boats!

There, I'm dreaming already!
Wreckers!... Pirates!... Filibusters!... Pica Sioux! Leav- ing us in the lurch on a doomed ship! To Davy Jones with the lot of you!

Follow me... We'll probably find a raft up for'ard.

We obviously have a vocation for shipwrecks!

Who are you, below there?

We good black men... Want come out... No can breathe... We afraid...

Negroes! A lot of them, too, I'd say... What shall we do, Captain? We can't just abandon them.

You're right. Come on.

Eighteen tons of high explosive and ammunition: it'll make a pretty fireworks display!

That's it! The hose is connected... Now then, let's open the valve.

Blub... I... blub... I've got it, Cap... blub...

Thanks... that's it... I'll tackle the fire... You go over to port and get another hose into action.
What about the explosion? Is it due for today or...? But... but... I can't see any more smoke or flames!

It's out... A huge wave... I was very nearly washed overboard...

By thunder! The fire's gone out! Put her about boys. We're going back.

What luck!... Now for those poor fellows below, Captain.

You're right, but first of all...

...I'm going to try to restart the engines. You go up on the bridge and take the wheel.

Half an hour later...

Phew! That was no joke, alone; but she's under way at last.

Magnificent, Captain... And now for the Negroes.

There's something more urgent: to send out a distress call by radio.

By thunder!... The "Ramona" is drawing away!... Someone has got her engines going!
Look! Skut!... Dead?

No, he's alive... See, he's coming round.

Skut! Skut, old man, say something! What happened?

You escape! Hurry!... Hurry! The fire!... Ship full of ammunition! Hurry before explosion...

Ammunition! The pirates! That's why they deserted like rats...

Don't worry, Skut: the fire's out. There's no more danger... But what about you? What happened?

They woke me, to go with them... Without you... I refuse... I want to... or... wake you... and send radio signal.

Then they are angry... Break radio and fight with me... Then I... knocked-out... They go?

You like... I can help you. Repair radio, perhaps, send S.O.S....

Good idea... Do that... I'm going to make sure there's no further danger.

Yes, they abandoned us, the iconoclasts. So here we are alone on board, with a crowd of Negroes in the hold.

A little later...

No more need to worry, youngster: the fire is right out.

Now I'll take care of those Negroes. First, to let them out...

Save poor Muslim! Me ill! Me dying.

All right! I'm coming now!

Hey there!... Let go of me!!... HELP, TINTIN!... HELP!

Troglydotes!... Sea-gherkins!... Pickled herrings! Leave me alone!

Back, visigoths!... Back, anacoluthones!

Hang on, Captain! I'm coming!...
All right! I'm here!

You addle-pated lumps of anthracite, you! I let you out of that dungeon, and what thanks do I get? You knock me flat!

Effendi not be angry... You not shout... We not know you good white man... We think you bad white man who shut poor black man in bottom of ship... Where are bad white men?

Bad white men all gone. Left us. But if you help me, I'll take you where you want to go. You're going to Mecca, eh?

Yes, Effendi, to Mecca. We good Muslims. We making pilgrimage to the tomb of the Prophet.

All right, we'll take you to Mecca... on condition that you all obey my orders. For a start, I need some men as stokers.

Two days later...

There. If my reckoning is correct we should soon sight Jidda, the port for Mecca...

Yes. Those poor fellows... nearly the end of their journey.

Poor fellows!... Poor fellows!... You don't still believe they were being sold as slaves?... It's absurd...

If the Emir was telling the truth, then I'm afraid that was to be their fate.

Come, come, you've been reading too many thrillers... There's no slave-trading nowadays!

Look, Captain; just tell me this: is there any coke aboard?

Any...any coke?... But...

Effendi! Effendi! You come look!... Ship coming to us...
Salams, O sailor... Captain Allan is up there?

Captain Allan?... Finished... Gone. ... I am captain now.

Ah, you have replaced him... Good, good... Is the coke of best quality this time?

The coke? Again! Blistering barnacles, what's all this nonsense about coke? Thundering typhoons, there's no coke on board!

No coke on board... Ha! Ha! Ha!

Huh... Yes... Strong muscles... you'll do...

And teeth?... Come on, open your mouth, Sambo... Huh, not too bad... Teeth quite sound...

Here, have you quite finished playing the cattle-dealer? This man's not a horse, nor a slave...

Seh!... You mustn't say that!... "Coke" is the word, as you well know.

You trafficker in human flesh! You deserve to be strung up on the mizen yardarm!

So it is! A sampan... The harbour pilot from Jidda, perhaps... No, we're still too far from shore... A fisherman, then?

How odd... he's signalling to us... We'll have to, and see what he wants...
You cut-throat, you!... You're lucky I don't stuff your beard down your gullet!... But get out... viper! And take care that you don't cross my path again!

Sheer off, filibuster!... Out of my sight, you gallows bird!

Baboon!... Carpet-seller!... Paranoiac!... Pockmark!... Cannibal!

Duck-billed platypus!... Jellied-eel!... Bashir-bazouk!... Anthropophagus!... Cercopithecus!... Psychopath!... Er...

No good, captain. He's too far away now...

That's what you think! He hasn't heard the last of me!

By the way... How did you tumble to the word "coke"?

I'll show you.

I found this scrap of paper on the table while you were plotting our course on the chart. Read it.

By the beard of the Prophet, the dog will pay dearly for this!

Di Gorgonzola to Captain & Ramona
Deliver coke to the El Kaid at Saida
A fragment of a wireless message sent by di Gorgonzola to that gangster Allah!... And "coke" is a code word for their cargo of slaves!... The pirates!

First, we must talk to the Africans; they must be made to understand that under the circumstances it's madness for them to go to Mecca.

Agreed... Then we must try to send out a radio call...

Getting on, Skut! Still much work, Captain.

Good... Well, I'm going to talk to the cargo, you take the wheel and steer due South. We'll head for Djibouti.

O.K.

A few minutes later...

My friends, listen to me carefully. You have undertaken this long journey to make a pilgrimage to Mecca, haven't you?

Yes.

You speak well, Effendi. Wicked Arab, very wicked. Poor black men not want to be slaves. Poor black men want to go to Mecca.

You not shout, Effendi. Poor black men only want to go to Mecca.

You not coconuts, Effendi. We good Muslims. We want to go to Mecca.

We not coconuts, Effendi. We good black men. We good Muslims. We want to go to Mecca.

But billions of blue blistering barnacles, I keep on telling you: if you go there, you'll be sold as slaves! Thundering typhoons, I can't make it any clearer.

All right, you boneheads, go to Mecca!... But you'll stay there for ever!... You'll never see your own country again!... Never see your families again!... You'll be slaves for ever!... That's what you're in for, you dunderheaded coconuts, you!

You not shout, Effendi. Poor black men only want to go to Mecca.

I can't do a thing!... I've tried the lot!... You can't shift them; they want to go to Mecca, stop: that's all!... It's like banging your head against a brick wall!
I wish to go to Mecca. I tell them you are good white man, you speak truth. I remember in my village three young men went to Mecca... two years ago... they not come back... they no doubt slave... I not want to go to Mecca!... I not want to be slave.

Me too, I not go. Me too!

Good, so I haven't preached in vain!... All right, we'll make a bargain: those who don't want to go to Mecca will be landed at another port. As for the rest, they can continue the voyage if they want to...

The next morning...

An aeroplane... They're circling us... how odd...

Hello, hello... Albatross to Shark... Have sighted Ramona 20 miles west of the Farman Islands... She is steering south-south-east. Over.

He's going off... I wonder what he was up to.

I don't know, but I don't much care for that sort of visit.

The trap is closing: my boys are on the job!... in a few hours the "Ramona" will have disappeared, with crew and cargo... so all the incriminating evidence will be effectively liquidated.

Hello, hello... Shark to Albatross... Message received... Steer... ing west...

...to intercept her... Out.

Aha! My orders have been carried out.
That plane snooping around worries me... If I were you, captain, I'd alter course.

You're right... I'll do so.

A few hours later...

Well, Skipper, how's the radio? Working? No...

No!... The radio not working... I not find the trouble... I not know what more to do...

BRRRR

Again?...

The same one?...

Be careful, the wire!

OH!

?

The radio!! Quite all broken now!

Hello... Albatross to Shark... Have found Ramona again.

Steering due south; she is 30 miles east of Dahlak-Kebir Island.

That bird of ill-omen is getting on my nerves.

Buzz off, you stool-pigeon! You're asking for a smack on the nose!

Shark to Albatross. Ramona in sight. Preparing to dive.
I say, Skut, I'm terribly sorry! You've worked for so long on the radio... and then I'm so clumsy...

Sigh!

She working!... She working now!

What?!!... After a bang like that? It's not possible.

She working, I tell you! Listen...

BEEP-BEEP-BEEP

I... So sorry, but the radio, Captain... The radio... It's going!!

Oh yes? Where?... I hope it steers clear of me...

... because I've had enough of being rammed! Only a couple of minutes ago, plop - a flying-fish slap in my face. And now you: that's enough!

Flying Fish? I must have a look at them with my binoculars.

Where is it now?... I can't see it any more... But I'm absolutely sure...

Now then, keep calm...

Ten thousand thundering typhoons! A periscope!... There!... It's true!...

There, Captain, over there, I'm sure... Right out there... I saw the wake, I tell you...

Now keep calm, young shaver! Periscope or no periscope, keep calm...

Action stations!... Fire!... S.O.S... The radio, Skut! Confound! the radio, Skut!... Send for help! At once!... A submarine!... Clear the decks for action!... Keep calm! Don't panic!... Women and children First!
Calm down, Captain, calm down!... All isn’t lost yet!
You're right... Keep cool... Keep calm and don’t panic!

Disaster!... The end!... There’s nothing we can do! If they’re di Gorgonzola’s people we’re finished!
But why?

The ammunition!... In the forward hold... A torpedo in there, and you know the rest!
Of course! Only, the torpedo isn’t here yet! Come on, hurry; everyone on the alert.

This won’t take long to settle...
... Stand by No.1 tube...

Tintin at the radio. You... at the wheel, Shit!... Repeat my orders when I give them. Remember, starboard is right, port on the left...

S.O.S... S.O.S... S.S. Ramona calling...
... In danger of being torpedoed...

Torpedo to port! Hard a starboard!...

Hard a starboard it is!

Curses on them! They’ve swung away... They must have spotted us!

S.O.S... S.O.S... A torpedo has just missed us...
... S.O.S... Hurry please... S.O.S.

An S.O.S. I just picked up, sir.

What’s all this hally-hoo about a submarine?... There isn’t a war on, is there?

Starboard 20... Ahead, speed six knots... Stand by No.2 tube.

A moment later, aboard the U.S.S. Scrounger...

But meanwhile...
Hoody! Someone's heard our call!

U.S.S. Los Angeles to s.s. Ramona, Your S.O.S. received. We are coming to your assistance. Will be with you in three hours.

We've managed to miss the first torpedo, but we'll probably be done for before you get here.

There they are ahead, to port. This time they won't escape us...

By rights he should be astern, to starboard. In a few minutes I'll turn to port again, to confuse him.

Peer port 30°...
I mean, steer port 30°.
Port 30° it is.

By the powers of Satan! They've dodged us again!

Wait now! He'll end up by turning to starboard again... And then...

Submarine obviously belongs to the slave-traders. Their leader is the Marquis di Gorgonzola, now aboard s.s. Scheherazade, cruising in the Red Sea.

Starboard 45°... Starboard 45° it is.

Right!... No. 2 tube, fire!

Torpedo to starboard! Thundering typhoons! Quick, the engine-room telegraph...

Blistering barnacles! Full speed ahead!

Billions of blue blistering barnacles!
Thundering typhoons! The engine-room telegraph is jammed at half-speed astern. Quick, a screw-driver!

By lucifer! They're going astern... our torpedo has missed again... They're tough, those boys...

Hoey! It's passed ahead of us.

Quick, quick! I must release this infernal machine!

S.O.S. A second torpedo has just missed. Hurry, Los Angeles!

PCHKAAPRT!... TRKKHRRAAT!... You confounded rattletrap...

...bin-can contraption!... Take that!

YEEOWW!

Ah, they're still going astern! Very well! No. 3 and No. 4 tubes ready?

CLING CLANG

Take that, you slot-machine, you!

Hello?... Engine room?... Hello?

Hello, EFFendi?

BRROM

Too late!... They've got us!
No, they're depth charges! Whew! I really thought we'd been torpedoed...

U.S. Navy seaplanes, with those pirates for a target! They're certainly machines from the Los Angeles.

Oh! Great grandfathers! What a pasting! They'll be as flat as a Dover sole after that!

Wait! There, that upheaval in the water...

Look! The submarine has surfaced!

Yes... obviously they've been badly knocked about...

Victory! They're waving a white flag... They're surrendering... The game's up.

Hello, hello. Unidentified submarine: remain on the surface and stop your engines. One suspicious move and we'll blow you out of the water...

Be quick: they're coming back!

Go!

Torpedoes are out of the question now... A limpet-mine on their hull... With the ammunition aboard, it'll look like an accident... In you go: you've plenty of time: the mine's set to explode in one hour.

What a job!

What is white man's folk dance.

They said the ammunition was in the forecast...

Saved! Yippee! Saved!

Hooray!
Ahoy, there! Let go the anchor! Eighty fathoms of chain.

Meanwhile...

This is all very fine, but we must wait for the Los Angeles. I'm going to see if there's any chance of dropping anchor.

An hour later...

Hooray! There she is! The Los Angeles!

American cruiser in sight!

Don't worry, boys... She'll blow up any moment now.

BOO0OM
The next morning...

Still no news from Kurt and his submarine... What are they playing at, the fools?

Lost... all is lost! ... But it's impossible!

Hello? ... Yes... Come up on the bridge? ... I haven't time, Captain. I... What? ... A warship? ... I... I'm coming, now.

Repeat the message, Tom... And add, if they don't heave to immediately, we'll open fire.

All right, stop the engines. And launch my personal barge. I'll go myself and tell those insolent cowboys what I think of their manners!

The cruiser Los Angeles, my lord Marquis... She's just flashed a signal ordering us to heave to. What shall I do?

Ah, they've obeyed... Excel- lion!... But what are they doing now?

It looks as if... yes, they're hoisting out a launch... and Kastappopoulos is going aboard...

Do not insist, my friends, I will go alone.

Ah, what's happening now?... He's slowing up. He's stopping. Has he broken down?

Great snakes!... He's sinking!

But whoops! That's done the trick!... Just you catch me now gentlemen!... Ha! ha! ha!
NEW REVELATIONS SHOCK WORLD

SLAVERY—IT STILL EXISTS

Traffic in human lives uses code word “COKE”

Revealing the Rastapopoulos affair shocked the civilized world. With the discovery aboard the freighter Patras of Africans destined to be sold as slaves in Mecca, facts are plain; in this twenty-first century, slave traders are still at large. The socialist Workers’ General Command delivered the goods in ships or aircraft into the hands of Rastapopoulos. Agents of the organization were notified of the arrival of the “goods” by the signal description of the cargo as “COKE.”

Messages were passed to Istanbul, answering this “COKE” was in stock, and secret arrangements were then made for sale of the slaves.

CAPTAIN ALLAN

Picked up by Danish Cargo Vessel

A change of government is again reported, and this time, the evil of a slave’s existence is real. The last slave ships, Rastapopoulos, alias di Gorgonzola, has completed his secret launching from the Red Sea.

Where did Sheik Bab El Ehr get his Warplanes?

Sheik Bab El Ehr.

A fortnight later...

Well, what a joy to be home again, and to breathe the country air...

...and hear the old familiar sounds...

Listen: the sound of a motor; it’s the gardener mowing the lawn...

POF
Great snakes! It's Professor Calculus! ... What's he invented this time?!

What on earth are those contraptions? Ingenious, aren't they?

Motor-roller-skates! For a long time I've been trying to find an answer to the traffic problem... I was thinking of a flexible, handy, lightweight machine...

Fine!... And they'll have to install traffic lights on the pavements with your confounded roller-coasters!... But where is Abdullah?

No, a two-stroke engine, of 48 c.c.s, and controlled by cables which regulate the throttle and steer the skates at the same time.

That's all very interesting... But I asked you, where is Abdullah?... Abdullah? WHERE IS ABDULLAH?

You simply won't believe it, but I've reached 40 m.p.h!... Would you like to try them?

Oh, sir!... Oh, how glad I am to see you back, sir!!

Hello, Nestor, I... But my poor Nestor, what's happened to you?

I... I fear that Master Abdullah's visit was not very good for me... But things are better now... He and his retinue departed yesterday. He left a note for you.

Poor Nestor!... A real demon, that boy. Let's see what he's written to us.

Can't he use my proper name?

"My dear Blistering Barnacles, I have been very good. I haven't played any jokes. Papa wrote to me. I must go home. That's sad, because it is fun at Martinique. With love from Abdullah."

Very sweet, eh?... Nestor's just been fussing about a little innocent childish mischief.

To dear Blistering Barnacles.
Billions of bilious blue blistering barnacles in a thundering typhoon! Another joke by that infernal child... Shall I never be left in peace? In peace!!

Sir, Mr. Wagg has just arrived...

Hello, old boy! How are you, you old sea-dog? I'm doing fine... in the pink! Ha! ha! ha! What a lark to see you again, you old humbug, you!

Er...

Well, my old salt, I've got a surprise for you... I know the country's pretty, but it's dull as ditchwater...

A matter of taste...

No, no, take it from me, it's dull. So I said to myself: "Jolyon," I said, "you must go and liven things up for that old stick-in-the-mud..."

That's very kind of you, but...

Now, now, turn it up! No buts! Too easy. I'm president of the Vagabond Car Club down my way; all I've had to do is organise a rally, and the final trials...

...are at Marlingspike!
